"He who serves his fellows is, of all his fellows, greatest"

RE:
Dear Principal

is a member of the Order of the Arrow, which is the Boy Scouts of America Honor Society. This is a group of Scouts who have been chosen by their peers because of their exemplary standing in the BSA, and their willingness to be servant leaders.

This organization teaches Scouts leadership skills and humility through service and honoring traditions of both Boy Scouting and Native Americans. He will gain skills that will make him a better student and leader in your school, and prepare him for citizenship.

needs to attend a meeting April 15, 2016 . The meeting begins late Friday, and because of travel time he needs to miss the day on Friday. Coosa Lodge recognizes the value of education, and does not ask this lightly. Based on the meeting, we feel that this will benefit sufficiently to justify missing the day.

I would greatly appreciate it if you would excuse his absence from school for the day on Friday so he may travel with the contingent and attend this meeting.

If you need further information, please feel free to contact me at the Council Service Center at 1-888-490-8955.

Thank you for your time and consideration.
