

COOSA LODGE CENTENNIAL METAL NOAC FLAP PIN NOAC FUNDRAISER

In an effort to make NOAC more affordable for Coosa Lodge members, the Coosa Lodge Executive Committee will issue a series of memorabilia fundraisers.

The first in this series is a metal flap pin set. The BLACK background flap will only be sold to Coosa Lodge Members who are dues paid. The WHITE flap will be sold to Coosa Lodge members and members of other Lodges around the country. These will be available for pick up at the Coosa Lodge Fall Fellowship in 2014.

This is a pre-order item we can not guarantee there will be any additional items available for purchase. There are no restrictions on quantities.

Those who purchase the WHITE background will receive a certified hand signed certificate for each flap from Nathaniel Kelton, Coosa Lodge Member and the designer of the Order of the Arrow Centennial Logo.
