Special Fall Fellowship Edition

Chiefs Letter

Joey Kiker 2005 Lodge Chief

Brothers,

Welcome to Fall Fellowship! It's the beginning and the ending in one great weekend. It's the beginning of a new year to set higher goals for our lodge and a time for a new slate of officers to serve the amazing members of this lodge. Sadly it's the end of a great year of high achievements. When I look back on this year I think of it as a beginning. In the last year we have made big changes to the structure of this lodge. This is just one step to the great success of Coosa.

As Lodge Chief this year, I could not have been more blessed to be part of a great group of people. I was telling one of my friends the other day how amazing it is to see these people come together to get something done whether it be a Habitat for Humanity project or simply running around conclave with huge Coosa letters.

I want to take this time to thank a few people that have made our lodge what it is. First is Ralph Riddle. You are amazing. I thank you for all the pounds you have put on me since I became a member. You are a great asset to this lodge and your community.

Second is Tim Hall. I thank Tim for his emphases on a youth run organization, this year he has aided this lodge in ways I'll probably never even know.

Third is Matt Sheets. Where do I begin? I can honestly say that I could not have been Chief with out Matt Sheets. He has the true and pure heart of a cheerful servant.

Fourth is Greg Moore. I would just like to say sorry that you had to put up with me. We made it! Thank you so much for your guidance. I know that you will be a great advisor to many Coosa chiefs.

And most of all many thanks to my great officers you did a wonderful job! I thank every one else that has put time and heart into this lodge. It is a wonderful group of people and we must remember that we are only as good as the members we have. It's the power and dedication of the arrowman of this lodge who make it the best in this nation.

Thank you Coosa for making this year of my life one that I will never forget. Good luck in the future and remember that I love you all. We may only see each other once a month but the bonds that we have will last forever.

"He who servers his fellows, is of all his fellows greatest"

Brothers,

Welcome to the 2005 Fall Fellowship! Our Vice Chief of Fellowship, Zach Pettit, and his staff have put together an exciting program that I am sure you will enjoy. There is a little something for everyone, so you will have no problem enjoying yourself!

Additionally, the Talladega Encampment is just four weeks away. The Coosa Lodge will have a large area set aside for our displays and activities. We will need Arrowmen willing to lend a hand in service throughout the encampment selling pizza and drinks, manning booths, and the like. Bring your troop by to see Native American dancing and experience the Brotherhood Lane and Camp Promotion Alley. Our chief, along with Will Hayes, Matt Sheets and James Tarbox, will put on a tremendous demonstration of what our lodge is capable of achieving!

There is lots going on and we want you to be a part of it! Find a place to get involved and discover how much fun the OA can be. Your brothers need you!

Once again, welcome! Glad you are here!

 Greg Moore Coosa Lodge Adviser

Will Hayes Past Coosa Lodge Chief

Dear Brothers,

Have you ever pictured yourself throwin' it down at Michigan State University?! Well of course not, but your chance has arrived! This opportunity comes to you direct from Coosa Lodge 50, and the National Order of the Arrow conference. Picture yourself in Lansing, Michigan... meeting brothers from around the country, gaining valuable knowledge from the best instructors in the country, watching fierce ceremony competition, wowed by intense dance competition, and being blown away by the best shows from far and wide (except for Coosa's that is), oh... and don't forget the wild crazyness of the founders' day extravaganza! Seriously, if you don't take this opportunity your missing out, big time. But you have to hurry, time is running out, we only have 25 slots available. You'll still able to sign up at the 2005 Greater Alabama Council Encampment, or at the fall fellowship. When you sign up you must have a \$100 deposit ready to secure your slot. For more details about the total cost of the event please reference your questions to Mark Hayes @ mrkchk50@aol.com. Sign up quick! And I'll see you there!
